

AN INVITATION TO SPONSORS AND MEMBERS

Support the COP31 Webinars

Take part in the webinars, amplify the voice of the waste sector, and support ISWA's presence at COP31.

ISWA's Climate Change Declaration and Methane Note set the frame for all its activities. The Road to COP31 webinars are a platform to amplify the voice of our partners and members who support ISWA's presence at COP, in alignment with the position established.

THE THREE PLANNED WEBINARS

- Tuesday 6 October 2026** — Launching the ISWA Climate Change Declaration 2026 - Rethinking waste management as a climate action
Respond by 29 September 2026
- Tuesday 27 October 2026** — Methane mitigation and deepdive on landfill gas (possible angle: why we should both incentivize organic diversion AND high-performance methane leakage reduction)
Respond by 20 October 2026
- Live from COP31, Antalya — week of 16 November 2026** (date to be confirmed) — what the negotiations mean for the waste sector
Deadline to follow once the date is confirmed

Date and content to be finetuned with future partners.

Grow Value Not Waste

Rethinking circularity towards a resilient future

Sign Up to the Supporter Package

Take part in the webinar to amplify the voice of the sector and support ISWA's presence at COP.

Deadline to respond as a "supporter" is 1 week before each webinar, so that we can adjust the planning.

Supporter	€2,000	Webinar participation and acknowledgement across the series
Silver	€15,000	+ logo placement on event materials and communications
Gold	€25,000	+ speaking slot and co-branded promotion
Platinum	€50,000	+ premier billing and named recognition at the COP31 live session

Silver, Gold and Platinum packages include benefits in addition to webinar participation, and can be discussed separately.

Register your interest at rchwee@iswa.org by the deadline above for each session
